Your Advantage Savings Account

FDIC Coverage
This account is insured by the Federal Deposit Insurance Corporation (FDIC) and is backed by the U.S. government. The standard insurance amount is $250,000 per depositor, per insured bank, for each account ownership category. Refer to FDIC.gov/edie for more information.

Monthly Maintenance Fee
$8.00 each month
You can avoid the Monthly Maintenance Fee when you meet ONE of the following requirements during each statement period:
- Maintain a minimum daily balance of $500 or more, OR
- Link your account to your Bank of America Advantage Relationship Banking™, Bank of America Advantage® with Tiered Interest Checking or Bank of America Advantage® Regular Checking account (first 4 savings accounts), OR
- Enroll in the Preferred Rewards program (first 4 savings accounts). Learn more at bankofamerica.com/preferredrewards, or visit your local financial center.

Students under age 24 are eligible for a waiver of this fee while enrolled in high school or a college, university or vocational program.

Withdrawal Limit Fee and Transaction Limitations

Withdrawal Limit Fee
It Applies To All types of withdrawals and transfers from a savings account, including:
- ATM withdrawals and transfers
- Financial center teller withdrawals
- Online and Mobile Banking transfers or payments
- Automatic or pre-authorized transfers (includes an automatic payment to a merchant or bank)
- Telephone transfers
- Checks or drafts

How It Works
Each monthly statement cycle:
- You can make a total of 6 withdrawals and transfers with no Withdrawal Limit Fee
- After your first 6, the Withdrawal Limit Fee is $10.00 for each additional withdrawal and transfer
- No more than 6 Withdrawal Limit Fees will be charged
- You can avoid the Withdrawal Limit Fee by maintaining a minimum daily balance of $20,000 or more in your savings account or if you are enrolled in the Preferred Rewards program.

Transaction Limitations
Certain types of withdrawals and transfers from a savings account, including:
- Online and Mobile Banking transfers or payments
- Automatic or pre-authorized transfers (includes an automatic payment to a merchant or bank)
- Telephone transfers
- Checks or drafts

Certain types of withdrawals and transfers from savings accounts are limited to a total of 6 per monthly cycle. This limit is governed by federal Regulation D and our Deposit Agreement and Disclosures.

This limit doesn’t apply to transactions made at financial centers, by mail or at an ATM. Keep in mind, Withdrawal Limit Fees still apply to these types of transactions.

If you exceed the transaction limitations on more than an occasional basis, we’ll convert your account to a checking account that will no longer earn interest.

Interest rate policy

Interest rate and interest calculation
Your account has a variable interest rate, which means the interest rate may change. Interest rates for your account are based on balance tiers, are set at our discretion and may change at any time without notice.

To calculate interest, we apply a daily periodic rate to the collected balance in your account each day. The daily rate that applies will depend on which balance tier your end-of-day balance falls in. We compound and pay any interest earned monthly. Interest is only paid in whole cents and we use standard rounding rules to calculate the amount. This means that an amount less than half of one cent is rounded down to zero, and an amount of half of one cent or more is rounded up to the next whole cent.

Extra interest
Extra interest is earned automatically when an account owner is enrolled in the Preferred Rewards program. The interest rate will increase by at least 5%, 10% or 20% over the standard rate, and is based on the Preferred Rewards tiers of Gold, Platinum and Platinum Honors, respectively. We may decide to pay a higher rate.

Where can I find information about current interest rates?
You can find current rate information by checking bankofamerica.com, calling the number on your account statement or visiting a financial center.

Information is current as of 08/2019 and is subject to change.
When your deposits are available

**Cash, direct deposits, wire transfers:** On the day we receive them.

**Checks:** Usually the next business day if deposited before the financial center or ATM cutoff time.

**Mobile Check Deposit:** Usually the next business day if deposited by applicable cutoff times. Please refer to Deposit Checks, then Help in the Mobile Banking app for additional details and terms and conditions.

If we place a hold on your deposit, we'll let you know the hold reason and when your funds will be available. This is typically provided at the time of deposit but may also be mailed later. Deposits greater than $5,000 and checks deposited within the first 30 days of account opening may be held longer.

**Overdraft fees**

- To help you avoid fees, we won't authorize ATM withdrawals or everyday debit card purchases when you don't have enough money in your account at the time of the transaction.
- When we determine you don't have enough money in your account to cover other items such as checks or scheduled payments, we'll either authorize and pay the item and overdraw your account (an overdraft item),¹ or decline or return the item unpaid (a returned item). When this happens, you may be charged a fee. See details below.
