

Prepaid legal

Beginning Jan. 1, 2015, you can participate in a prepaid legal plan and have access to experienced attorneys for many personal legal services, available through Hyatt Legal Plans. These services include unlimited advice and consultation for wills, real estate matters, small claims, family services, traffic violations, civil law suits, document preparation and more. All network attorney fees are covered by the plan.

Eligibility and enrollment

- All active, U.S.-based full- and part-time employees (scheduled to work at least 20 hours a week) are eligible.
- Employees must enroll during Annual Enrollment or as a new hire or when newly benefits eligible. Once enrolled, you must continue participating in the plan until the next enrollment period.
- After enrolling, you will receive a membership packet that will tell you how to get started.
