Business Schedule of Fees

Banking Solutions

Effective August 19, 2022

Applies in all states
Account Fees for Business Deposit Accounts

This schedule applies to business deposit accounts. Please read carefully. It is part of the binding contract between you and us for your account and deposit relationship.

This schedule lists account fees that may apply to you, depending on which account settings you have, how you use your account and what services you use. It also explains how you can avoid some fees.

For information about interest rates, fees and other services not covered in this schedule, please visit a financial center, call us at the number on your statement or 888.BUSINESS (888.287.4637). Please note that fees for your account may be different than those listed in this schedule based on your overall relationship with us.

We may change the accounts and services described in this schedule at any time by adding new terms and conditions or deleting or amending existing terms and conditions. We may also add new accounts or services and convert or discontinue existing accounts or services at any time.

You can ordinarily open most accounts through all of our channels – in our financial centers, through telephone banking, mobile and online. However, some accounts may not be available at all times, in all locations, or through all channels. If your address is in a state where we do not have a financial center, we may open the account as if you opened it at a financial center in the state of Florida. In these circumstances, the pricing and account terms will be those applicable to accounts opened in the state of Florida.

Your account and deposit relationship are also governed by the Deposit Agreement and Disclosures. Please read that agreement carefully.

Account Services

All business checking accounts offer these optional services and programs:

- Business Debit Card – lets you access Bank of America ATMs to make deposits, withdrawals or transfers and make purchases anywhere business debit cards are accepted.
- Business Employee Debit Card also available with access and spending limits controlled by you.
- Business Deposit Card for you or your employees.
- Balance Connect™ for overdraft protection is an optional service which allows you to link up to five eligible backup accounts. (Balance Connect™ is not available on savings accounts). Please see the Deposit Agreement and Disclosures for more information about eligibility and how Balance Connect™ transfers work. Transfers from a linked business credit card or business line of credit are subject to interest charges.
- Preferred Rewards for Business provides a range of benefits when you qualify for and enroll in the program that increase as your business deposit and business investment balances grow.
## Business Advantage Banking Accounts

**Business Advantage Banking Account Settings**
- Business Advantage Fundamentals™ Banking
- Business Advantage Relationship Banking

Your Bank of America Business Advantage Banking Account offers you the ability to choose from and switch between two account settings. Each account setting has a different set of features to offer you flexibility if your banking needs change.

We may charge you an Overdraft Item Fee for each item over $1.00. We do not charge you an Overdraft Item Fee for any item that overdrafts your account by $1.00 or less. Some common examples of items are a check, an in-person withdrawal slip, an ATM withdrawal or another electronic instruction (such as a debit card purchase). We will not charge a fee to your deposit account when we decline or return an item unpaid due to insufficient funds, but you may be charged a fee(s) by the payee for the returned payment. Please see the Deposit Agreement and Disclosures for more information about overdrafts, returned items and how we process and post these items. • We charge you Overdraft Item Fees for no more than 2 items each day. • Under the NACHA Operating Rules, a merchant or payee, or its financial institution is required to label an ACH submission that has been resubmitted after the previous submission was returned for insufficient funds as a “RETRY PYMT” or “REDEPCHECK”. We do not charge you an Overdraft Item Fee on any ACH submission labeled as a “RETRY PYMT” or “REDEPCHECK” in the data transmitted through the ACH Network. For example, if you authorize your cable company to debit your account on a one-time or recurring basis or through an electronic check and the resulting ACH submission is returned for insufficient funds, we will not charge you an Overdraft Item Fee on a resubmission as long as the resubmission bears the “RETRY PYMT” or “REDEPCHECK” label. However, because we cannot reliably identify ACH resubmissions that are not labeled “RETRY PYMT” or “REDEPCHECK” by the merchant or payee, or its financial institution, if your cable company resubmits the ACH submission without the “RETRY PYMT” or “REDEPCHECK” label, you may incur an additional and separate Overdraft Item Fee. We have no control over how merchants label their ACH submissions or resubmissions. If you believe that a resubmitted electronic transfer was mislabeled and you were improperly charged an Overdraft Item Fee, you must notify the Bank within the timeframes established by the Deposit Agreement and Disclosures and the Electronic Fund Transfer Act. See Deposit Agreement and Disclosures sections titled Reporting Problems and Funds Transfer Services. • To help you manage your account, we recommend that you use Business Advantage 360, Online Alerts and Balance Connect™ for overdraft protection from your linked Bank of America business deposit account, business credit card or business line of credit. As an example, use low balance Alerts to notify you when your balance falls below an amount you set. • Business Advantage Savings accounts do not have Overdraft Item Fees.</td>

Other Account Information

This section covers some of the features and services that may apply to your account, depending on which account you have and how you use your account. Please see the Deposit Agreement and Disclosures for more information.

Balance Information

The terms “Opening Balance,” “Minimum and Average Balances,” “Minimum Daily Balance,” “Average Monthly Balance,” “Combined Average Monthly Balance,” and “Eligible Balances” are explained below. Other balance terms are explained in the Deposit Agreement and Disclosures.

Opening Balance. You can open most banking and savings accounts with a deposit of $100 or more.

Minimum and Average Balances. With most banking and savings accounts, you can avoid the monthly fee for each statement cycle during which you maintain a specified balance. If applicable, the balance requirements are listed with the account description.

Minimum Daily Balance. The lowest balance that we determine is in the business account during a statement cycle.

Average Monthly Balance. For a statement cycle, we take the balance that we determine is in the business account for each day in the statement cycle, add those balances together, and then divide that sum by the number of days in the statement cycle.

Combined Average Monthly Balance. For a statement cycle, we add the following balances together in your linked business accounts to calculate the combined average monthly balance:

• The average monthly balance in your banking account and in each banking and savings account that is linked to it.

We determine the average monthly balance in a linked account by using the beginning balance in the linked account for each day of the primary banking statement cycle.

And

• The current balance, as of the end of your primary banking statement cycle in each CD that is linked to your primary banking account.

See below for the eligible account types that may be linked to meet the combined balance requirement for each business banking product.

For Business Advantage Fundamentals Banking Eligible Balances. For this banking solution, you may link Business Economy Checking, Business Interest Checking, Business Advantage Savings, Business Investment Account and Business CD accounts.

For Business Advantage Relationship Banking Eligible Balances. For this banking solution, you may link the one extra Business Advantage Relationship Banking account that can be included for no additional Monthly Fee with your solution, Business Economy Checking, Business Interest Checking, Business Advantage Savings, Business Investment Account and Business CD accounts.

Public service trust accounts, such as IOLTA accounts, and certain other fiduciary accounts such as trusts and estate accounts, are not eligible to be linked to non-fiduciary accounts and are not counted toward the combined balance requirement.

Transaction Limits for Savings Accounts

The Deposit Agreement and Disclosures limits the number of certain types of withdrawals and transfers from a savings account to a total of six each monthly statement cycle. This transaction limit applies to the following types of withdrawals or transfers: automatic and pre-authorized transfers, telephone transfers, Online and Mobile Banking transfers or payments and drafts, and debit card transfers and drafts.

If you exceed these limits on more than an occasional basis, we may convert your account to another type of account, such as a banking account, and your account may no longer earn interest.

Frequently Asked Questions about Business Banking and Savings Accounts

What other agreements have terms that apply to my deposit account?
In addition to the terms in this Schedule of Fees, the terms in the Deposit Agreement and Disclosures, the signature card for your account and the other account opening documents govern your account and are part of the binding contract between you and us for your account. Please read these documents carefully.

What are paperless statements?
With the paperless statement option, you get your account statement electronically through Business Advantage 360, and you do not get a paper statement. You can enroll paperless statement at a financial center or through Business Advantage 360. When you enroll at a financial center, you’ll need to log into Business Advantage 360, from your computer to confirm your choice.

How long is a statement cycle for a banking account?
The normal statement cycle for a banking account can range from 28 to 33 days. The beginning and end dates may vary slightly from month to month and are listed on the statement.

What are combined statements?
A combined statement is one statement that reports activity for your primary banking account and any deposit account linked to that primary account that you choose to include in the combined statement, instead of separate statements for each account. You must do two things in order to have a combined statement. Since each linked deposit account is reported on the combined statement, you may change your interest rate and annual percentage yield at any time.

What is the difference between “included accounts” and “linked accounts”?
“Linked accounts” refers to those accounts that are included as part of a business banking solution for no additional Monthly Fee. For the Business Advantage Relationship Banking solution, your primary account is a Business Advantage Relationship Banking account, and you can choose to include another Business Advantage Relationship Banking account and/or a Business Advantage Savings account with no additional Monthly Fee. “Linked account” refers to those eligible products or services whose balances can be combined, or usage counted, as a way to qualify for a Monthly Fee waiver on a particular statement cycle. When will the fee for cash deposit processing post to my account?

Are the statement cycles for linked accounts the same?
If you use a combined statement for your banking and savings accounts, the statement cycles for the linked banking and savings accounts are generally the same. Cycle dates may vary if you chose not to have a combined statement.

When do Monthly Fees post?
For each statement cycle, the Monthly Fee for a banking solution (and included accounts) will be applied to the primary banking account if you did not meet any of the specified ways to qualify for a waiver, and will post after the statement cycle closes. For additional savings or banking accounts linked to a solution, the Monthly Fees for those accounts will also post after the statement cycle closes, unless a balance qualifier is met.

When will the fee for cash deposit processing post to my account? When will I see the fee on my monthly banking statement?
The fee will not be posted in the month that the cash is deposited. It will be posted and you will see the fee on either your next monthly statement or the following one. The Cash Deposit Processing Fee will be assessed at the rate for your current account type when the fee posts to your monthly statement.

What restrictions apply when linking deposit accounts to a banking solution?
Some restrictions apply to which accounts can be linked to a solution. Accounts located in different states cannot always be linked. You may not link a banking solution to another banking solution. To link additional accounts to a banking solution, at least one of the owners of the additional account must also be an owner of the primary banking account in the solution. You may not link personal and business accounts together. Public service trust accounts, such as IOLTA accounts, and certain other fiduciary accounts such as trusts and estate accounts, are not eligible to be linked to non-fiduciary accounts and are not counted toward the combined balance requirement.

What happens if I change my Business Advantage Fundamentals Banking solution to a Business Advantage Relationship Banking solution?
If you upgrade your Business Advantage Fundamentals Banking solution to a Business Advantage Relationship Banking solution and you have existing Additional Checking accounts included in your Business Advantage Fundamentals Banking solution, when you upgrade your solution you can include one Additional Checking account in your Business Advantage Relationship Banking solution for no additional Monthly Fee. However, this account will be changed to a Business Advantage Relationship Banking account and linked to your Business Advantage Relationship Banking solution.

Any remaining Additional Checking accounts will each form a new separate Business Advantage Relationship Banking solution. Fees will change as will Monthly Fee waiver qualifications. See the Business Advantage Relationship Banking solution description on page 3. When you upgrade, accounts linked to your Business Advantage Fundamentals Banking solution, for purposes of meeting the balance or usage requirements to qualify for a Monthly Fee waiver, to your new Business Advantage Relationship Banking solution.

What happens if I change my Business Advantage Relationship Banking solution to a Business Advantage Fundamentals Banking solution?
If you downsize your Business Advantage Relationship Banking solution to a Business Advantage Fundamentals Banking solution and you have existing Additional Checking accounts included in your Business Advantage Relationship Banking solution, when you downsize your solution the Additional Checking accounts will each form a new, separate Business Advantage Relationship Banking account, at least one of the owners of the additional account must also be an owner of the primary banking account in the solution. You may not link personal and business accounts together. Public service trust accounts, such as IOLTA accounts, and certain other fiduciary accounts such as trusts and estate accounts, are not eligible to be linked to non-fiduciary accounts and are not counted toward the combined balance requirement.

Frequently Asked Questions about Business Banking and Savings Accounts (cont.)

Advantage Fundamentals Banking solution, subject to the fees and Monthly Fee waiver qualifications for the Business Advantage Fundamentals Banking solution. See the Business Advantage Fundamentals Banking solution description on page 2. When you downgrade, accounts linked to your Business Advantage Relationship Banking solution may be delinked. You have the option of linking accounts that were linked to your Business Advantage Relationship Banking solution, for purposes of meeting the balance or usage requirements to qualify for a Monthly Fee waiver, to your new Business Advantage Fundamentals Banking solution.

What happens if my primary checking account is closed in a Business Advantage Relationship Banking or Business Advantage Fundamentals Banking solution?

Each banking solution has a primary checking account. If your primary checking account is closed, then you must tell us whether you want one of the other checking accounts in the solution to become your new primary account. If you do not select a new primary account, then we delink all of the other checking accounts and each one becomes a separate banking solution, subject to the Monthly Fee for that type of banking solution. If you have Business Interest Checking or Business Economy Checking accounts linked to the solution, these accounts will also be delinked and cannot be relinked. Business Economy Checking and Business Interest Checking cannot become the primary account in a checking solution.
Preferred Rewards for Business Program Rules

At the annual review, we will also confirm that you still have an active, eligible business checking account with Bank of America. If, as a result of the annual review, you do not qualify for any balance tier, or you no longer have an eligible business checking account, and you do not sufficiently restore your balances or open an eligible business checking account in the three months after your anniversary month, your program qualification will be discontinued. Your benefits may then be discontinued immediately without further notice. You or we may terminate your enrollment at any time. We may change or terminate program benefits at any time, without prior notice.

Only business accounts owned by the same business entity, and that in our determination are in good standing, count toward your balance requirements and receive benefits. Accounts on which you are a signer but not an owner, or accounts included in your periodic statement on which you are not an owner, are not eligible. Personal accounts do not count towards the checking account requirement or balance requirements for the program, and will not be eligible to receive program benefits. Bank of America has a separate rewards program for personal accounts. Your personal accounts can be used to qualify for that program. Each business entity, including business entities with common ownership, must qualify on its own to be eligible for the program and must enroll in the program separately.

If at any time you become a Business Banking, Global Commercial Banking, Global Corporate Investment Banking, or Institutional client, we will also confirm that you still maintain your Bank of America Private Bank relationship. You or we may terminate your enrollment at any time. We may change or terminate your enrollment at any time, without prior notice.

You may enroll in Preferred Rewards for Business when you:

(i) have an active, eligible business checking account with Bank of America (eligible checking accounts are any Small Business checking account and the following Analyzed checking accounts: Full Analysis Business Checking or Analyzed Business Interest Checking); and

(ii) maintain a combined average daily balance in your qualifying Bank of America business deposit accounts and/or your Merrill business investment accounts (such as Working Capital Management Accounts, Endowment Management Accounts, International Cash Management Accounts, Business Investor Accounts, Delaware Business Accounts). You can satisfy the combined balance requirement for enrollment with either:

(a) your average daily balance for a three calendar month period;

(b) your average daily balance for a three year period;

(iii) qualify for the highest balance tier when your three-month combined average daily balance meets or exceeds the minimum amount for that balance tier. Once you qualify for the next higher balance tier, you will be moved to that balance tier starting in the month after the month in which you satisfy the combined balance requirement.

We will perform an annual review of your qualifying balance in the month following the anniversary date of your initial enrollment. Each business entity, including business entities with common ownership, must qualify on its own to be eligible for the program and must enroll in the program separately.
